## **What the Critics Are Saying**

**'Timothy Williams continues to show his acting mettle with his very funny portrayal of Lucio.'**

**'His talent is eclipsed only by his stage charisma.'**

Pam Harbaugh, *Florida Today*

Reviewing Measure For Measure and Cyrano DeBergerac

**'Out front is the wildly committed, frighteningly limber Timothy Williams...the actor is a walking lampoon of what the English consider capability.'**

Steve Schneider, *The Orlando Weekly*

Reviewing Bullshot Crummond

**'...Williams makes a terrific Bluntschli, from the broad strokes of his comical fumbling to his subtle reactions to the Bulgarians. A wry smile, an authoritative manner and the alarmed expression in Williams' eyes go a very long way...'**

Elizabeth Maupin, *The Orlando Sentinel*

Reviewing Arms and the Man

**'Williams, in a truly stirring, phenomenal turn as Octavius...is in glorious form, and provides the strongest performance.'**
